Delightfully updated, clean and move-in ready. This home offers 3 bedroom and one bath on main with another "bonus" room in the lower level with attached new ¾ (walk in shower) bath. A new kitchen from start to finish has been a wonderful improvement with full to ceiling cabinets, counters, appliances, recessed and under cabinet lighting. R/O system and garbage disposal with entry closet off garage and closet/pantry for kitchen extras. New hardwood floors in kitchen and hall. Lower level has a nice family room. Detached garage off alley offers additional parking and also room for the yard equipment and recreational toys. Call Jeannine before it's gone for your private showing.
